- The Books and Pamphlets listed are not in any priority order also we do not claim that every publication is socialist, but they are included because they provide useful information or arguments to be answered.
- This is a very specialist and brief list and we have many other publications in stock and are willing to help within reason, to find any new or old publications. Some of these titles are listed on our website and can be ordered most rapidly through: www.socialistbooks.co.uk
- While most titles are available immediately, some books may be out of stock, and will be sent on as soon as they arrive. Books are also continually going out of print, or changing in price. We do our best to keep stocks at listed prices, but we may have to bill you for the extra, if necessary.

I would like to order the following (please write book numbers and price clearly below):
