The Socialist Party fights for socialist change – a democratic society run for the needs of all and not the profits of a few. We also fight, in our day-to-day campaigning, for every possible improvement for working-class people.

As capitalism dominates the globe, the struggle for genuine socialism must be international.

The Socialist Party is part of the Committee for a Workers' International (CWI), a democratic, socialist international that organises in over 40 countries.

#### Our demands include:

##### Work & Income

- Trade union struggle to increase the minimum wage to £8 an hour without exemptions as an immediate step towards £10 an hour. For an annual increase in the minimum wage linked to average earnings.
- All workers, including part-timers, temps, casual and migrant workers to have trade union rates of pay, employment protection, and sickness and holiday rights from day one of employment.
- An immediate 50% increase in the state retire-

ment pension, as a step towards a living pension. Reinstating the link with average earnings now.

- Reject 'Welfare to Work'. For the right to decent benefits, education, training, or a job, without compulsion.
- Scrap the anti-trade union laws! For fighting trade unions, democratically controlled by their members. Full-time union officials to be regularly elected and receive no more than a worker's wage.
- A maximum 35-hour week with no loss of pay.

##### Public services

- No to privatisation and the Private Finance Initiative (PFI). Renationalise all privatised utilities and services, with compensation paid only on the basis of proven need.
- Fully fund all services and run them under accountable, democratic committees that include representatives of service workers and users.
- Free, publicly run, good quality education, available to all at any age. Abolish university tuition fees now and introduce a living grant. No to academies!
- A socialist NHS to provide for everyone's health needs – free at the point of use and under democratic control. Kick out private contractors!

- Keep council housing publicly owned. For a massive building programme of publicly owned housing, on an environmentally sustainable basis, to provide good quality homes with low rents.

##### Environment

- Major research and investment into replacing fossil fuels with renewable energy and into ending the problems of early obsolescence and unrecycled waste.
- Public ownership of the energy generating industries. No to nuclear power. No to Trident.
- A democratically planned, low fare, publicly owned transport system, as part of an overall plan against environmental pollution.

##### Rights

- Oppose discrimination on the grounds of race, sex, disability, sexuality, age, and all other forms of prejudice.
- Repeal all laws that trample over civil liberties. For the right to protest! End police harassment.
- Defend abortion rights. For a woman's right to choose when and whether to have children.
- For the right to asylum. No to racist immigration laws.

##### New workers' party

- For a new mass workers' party drawing together workers, young people and activists from workplace, community, environmental and anti-war campaigns, to provide a fighting, political alternative to the pro-big business parties.
- Trade unions to disaffiliate from the Labour Party now and aid the building of a new workers' party!

##### Socialism and Internationalism

- No to imperialist wars and occupations. Withdraw the troops immediately from Iraq and Afghanistan!
- Tax the super-rich! For a socialist government to take into public ownership the top 150 companies and banks that dominate the British economy, and run them under democratic working-class control and management. Compensation to be paid only on the basis of proven need.
- A democratic socialist plan of production based on the interests of the overwhelming majority of people, and in a way that safeguards the environment.
- No to the bosses' neo-liberal European Union! For a socialist Europe and a socialist world!
