

HSBC SCANDAL REVEALS AUSTERITY LIE

*time to take the wealth
off the 1%*

PUBLIC MEETING

THE AUSTERITY LIARS ARE EXPOSED AGAIN!

The HSBC files shed light on 30,000 accounts holding almost \$120bn (£78bn) of assets and prove that wealthy elites have been hoarding wealth and evading tax - while we are told we have to suffer pay freezes, benefit cuts, joblessness and cuts to vital services.

The Tories, Labour, Lib Dems and UKIP claim austerity is necessary. But now we know where the money is! Austerity is just a gigantic lie to justify attacks on those who did not cause the crisis.

Just one individual, out of 1,100 identified UK evaders on the list, has been prosecuted in Britain. This is just further evidence that the main parties stand for the interests of the super-rich.

Working class people do not have a political voice that stands for us - against all cuts and to use the resources in society to meet the needs of the 99% .

Once again the need to nationalise the banks under democratic control is posed.

**COME TO OUR PUBLIC
MEETING TO DISCUSS**

● Join the battle to stop the cuts in Britain and the struggle to build a society in the interests of the 99%.

● Support the Trade Unionist and Socialist Coalition (TUSC) which brings together workers, young people and community campaigners – including the Socialist Party – to build an electoral alternative to austerity in Britain.
