

A message from 'No2EU – Yes to Democracy' convenor, Bob Crow

Supporter appeal

Dear colleague,

As general secretary of the RMT trade union, it isn't every day I agree to head up a new left-wing EU-critical electoral coalition to stand in the European parliamentary elections. **No2EU-Yes to Democracy** will contest seats in June 2009 on a platform of opposition to the renamed EU constitution, the Lisbon Treaty and its privatisation agenda and in support of workers' rights. You can find out more about our programme and how you can be involved at www.no2eu.com

No2EU-Yes to Democracy aims to stand candidates across Britain, but we urgently need financial resources and active supporters in every walk of life to allow us to do so. RMT is helping to fund the campaign, but a trade union's political fund is limited. While New Labour and the Tories are funded by corporate fat cats, **No2EU-Yes to Democracy** will have to rely on support from trade unionists and ordinary citizens.

If you would like to become a supporter of **No2EU-Yes to Democracy** to help collect donations, to build support for our campaign among your work colleagues or in your school, college or community there is a way for you to become involved. There is a job for you to do. That is why I am appealing to all those who want the voice of working people to be heard. Please complete the form below and return it to the address shown.

Under electoral law all parties need to keep a record of donors to their campaigns (although donations under £200 are not publically disclosed). So please fill in your details alongside your donation. Please make cheques payable to '**No2EU-Yes to Democracy**' and send to: Unity House, 39 Chalton Street, London NW1 1JD.

Thank you,

Bob Crow
