

Comprehensive spending review - 20 October

STUDENTS: WHY WE MUST ALL PROTEST!

The brutal Con-Dem government's spending review on 20 October is expected to announce further devastating cuts in jobs and services. The two quotes below are from young people who will join protests on the day of the review which Youth Fight for Jobs and Socialist Students are organising. As the quotes show, young workers and students need to fight together for a decent future. You should join them!

Get in touch via www.youthfightforjobs.com and www.socialiststudents.org.uk and organise action in your area on 20 October.

"I am protesting on 20 October because I want to have the right to a real job with decent pay. I work as an agency worker in a call centre.

Our jobs can be lost at any time without notice and the wages that we get aren't enough to pay the bills.

Young people employed by agencies should have the chance of a permanent job that pays enough for them to survive!"

Becci Heagney, Leicester

"We're protesting because the draft of the Browne Review said tuition fees are likely to double - they are already too high.

At the moment we only get eight hours' contact time a week for £3,000 a year! Why should young people have to pay for the bankers' mistakes with cuts from a government that doesn't represent us?"

Jo Sams, Lincoln Socialist Students

The Socialist Party fights for socialist change – a democratic society run for the needs of all and not the profits of a few. We also fight, in our day-to-day campaigning, for every possible improvement for working-class people.

As capitalism dominates the globe, the struggle for genuine socialism must be international.

The Socialist Party is part of the Committee for a Workers' International (CWI), a democratic, socialist international that organises in over 40 countries.

Our demands include:

Work & Income

- Trade union struggle to increase the minimum wage to £8 an hour without exemptions as an immediate step towards £10 an hour. For an annual increase in the minimum wage linked to average earnings.
- All workers, including part-timers, temps, casual and migrant workers to have trade union rates of pay, employment protection, and sickness and holiday rights from day one of employment.
- An immediate 50% increase in the state retire-

ment pension, as a step towards a living pension. Reinstating the link with average earnings now.

- Reject 'Welfare to Work'. For the right to decent benefits, education, training, or a job, without compulsion.
- Scrap the anti-trade union laws! For fighting trade unions, democratically controlled by their members. Full-time union officials to be regularly elected and receive no more than a worker's wage.
- A maximum 35-hour week with no loss of pay.

Public services

- No to privatisation and the Private Finance Initiative (PFI). Renationalise all privatised utilities and services, with compensation paid only on the basis of proven need.
- Fully fund all services and run them under accountable, democratic committees that include representatives of service workers and users.
- Free, publicly run, good quality education, available to all at any age. Abolish university tuition fees now and introduce a living grant. No to academies!
- A socialist NHS to provide for everyone's health needs – free at the point of use and under democratic control. Kick out private contractors!

- Keep council housing publicly owned. For a massive building programme of publicly-owned housing, on an environmentally sustainable basis, to provide good quality homes with low rents.

Environment

- Major research and investment into replacing fossil fuels with renewable energy and into ending the problems of early obsolescence and unrecycled waste.
- Public ownership of the energy generating industries. No to nuclear power. No to Trident.
- A democratically planned, low fare, publicly-owned transport system, as part of an overall plan against environmental pollution.

Rights

- Oppose discrimination on the grounds of race, sex, disability, sexuality, age, and all other forms of prejudice.
- Repeal all laws that trample over civil liberties. For the right to protest! End police harassment.
- Defend abortion rights. For a woman's right to choose when and whether to have children.
- For the right to asylum. No to racist immigration laws.

New workers' party

- For a new mass workers' party drawing together workers, young people and activists from workplace, community, environmental and anti-war campaigns, to provide a fighting, political alternative to the pro-big business parties.
- Trade unions to disaffiliate from the Labour Party now and aid the building of a new workers' party!

Socialism and Internationalism

- No to imperialist wars and occupations. Withdraw the troops immediately from Iraq and Afghanistan!
- Tax the super-rich! For a socialist government to take into public ownership the top 150 companies and banks that dominate the British economy, and run them under democratic working-class control and management. Compensation to be paid only on the basis of proven need.
- A democratic socialist plan of production based on the interests of the overwhelming majority of people, and in a way that safeguards the environment.
- No to the bosses' neo-liberal European Union! For a socialist Europe and a socialist world!
