FOR HIGH QUALITY, FREE EDUCATION FOR ALL

- Scrap tuition fees, introduce living grants for all students, and cancel all student debt
- End low pay and understaffing on campus
- Invest in spaces to study, live and socialise – protect our health
- For democratic trade union and student oversight of all measures taken on the campus to stop the spread of the virus
- Take the banks and 125 biggest businesses into democratic public ownership – for socialist planning to provide free, high quality education and jobs for all
