## Socialist ideas to change the world delivered to your door - or device!

During these turbulent times, the working class needs a socialist alternative to austerity misery and capitalist crisis. The Socialist Party's weekly paper, the Socialist and our monthly magazine Socialism Today don't just describe what's wrong with capitalism they also put forward a programme for what's needed.

Whether it's campaigning to keep workers and communities safe during COVID-19 or how protests such as Black Lives Matter can organise to win, these socialist publications offer a way forward for the working class and young people.

As well as the subscription to have the Socialist and/or Socialism Today posted to you, we are also offering the Socialist and/ or Socialism Today in an e-reader format via email from as little as  $\pounds 2.50$  a month.

With each new direct debit subscription we are offering a free book.
